

## **EXHIBIT B**

### **CITY OF SAN BERNARDINO**

#### **MEASURE I CAPITAL IMPROVEMENT PLAN EXPENDITURE STRATEGY**

**Fiscal Year 2024/2025 to 2028/2029**

The City of San Bernardino will continue to place emphasis on both its regional and sub-regional arterial roadway system. At least fifty percent of the City's Measure I allocation will be earmarked for specific capital projects that are geared toward improving traffic flow and motorist convenience. Failing pavement surfaces will be rehabilitated and traffic striping modified as needed to accommodate increased traffic demand; and intersection capacity will be improved with new and modified traffic signals.

In addition to the above Capital Improvement Program, San Bernardino will continue to allocate up to fifty percent of its annual Measure I funds towards public works maintenance activities. Maintenance work will continue to include the City's traffic signal systems, sidewalk and curb repair, and pavement repair and overlay on the local street system.
