**RESOLUTION OF THE MAYOR AND CITY COUNCIL OF  
THE CITY OF SAN BERNARDINO, CALIFORNIA,  
APPROVING THE ROAD MAINTENANCE AND  
REHABILITATION PROPOSED PROJECT LIST FOR  
SUBMITTAL TO THE CALIFORNIA TRANSPORTATION  
COMMISSION; AND ADOPTING A LIST OF PROJECTS  
FOR FISCAL YEAR 2024/25 TO BE FUNDED BY SENATE  
BILL 1: ROAD REPAIR AND ACCOUNTABILITY ACT OF  
2017**

**WHEREAS**, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

**WHEREAS**, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

**WHEREAS**, the City, will receive an estimated \$5,787,1264 in RMRA funding in Fiscal Year 2024-25 from SB 1; and

**WHEREAS**, this is the 8th year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

**WHEREAS**, the City has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

**WHEREAS**, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

**WHEREAS**, the funding from SB 1 will help the City maintain and rehabilitate 14 streets and roads, add active transportation infrastructure throughout the City this year and 21 of similar projects into the future; and

**WHEREAS**, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in an "at-risk" condition and this revenue will help us

increase the overall quality of our road system and over the next decade will bring our streets and roads into a better condition; and

**WHEREAS**, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF SAN BERNARDINO AS FOLLOWS:**

**SECTION 1.** The foregoing recitals are true and correct.

**SECTION 2.** The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2024-25 Road Maintenance and Rehabilitation Account revenues:

**Project Title:** Street Rehabilitation Phase I - 14 locations (Project No: 13630)

**Project Description:** Asphalt coldmill and overlay, and striping improvements.

**Project Location:** Mayfield Ave, Western Ave, Gilbert St, 14th St, Hardt St, Drake Dr, Orange St, Electric Ave, Varsity Ave, College Ave, Roosevelt Ave, Washington Ave, 34th St, Mountain View Ave.

**Estimated Project Schedule:** Start (12/2024)- Completion (6/2025)

**Estimated Project Useful Life:** 12-15 years

**SECTION 3.** The following previously proposed and adopted projects may also utilize Fiscal Year 2024-25 Road Maintenance and Rehabilitation Account revenues in their delivery. With the relisting of these projects in the adopted fiscal year resolution, the City is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues:

No previous projects will utilize FY2024/25 Road Maintenance and Rehabilitation Funding.

**SECTION 4.** As the decision-making body for the project, the City Council has reviewed and considered the information contained in the administrative record for the proposed project. Based upon the facts and information contained in the administrative record, including all written and oral evidence presented to the City Council, the City Council finds, as follows:

(1) The administrative record has been completed in compliance with CEQA, the State CEQA Guidelines, and the City's Local CEQA Guidelines;

(2) The proposed project is exempt from the requirements of the California Environmental Quality Act pursuant to Section 15301 (Class 1 -Existing Facilities) of the CEQA Guidelines because it involves street rehabilitation. Additionally, the City Council finds this Resolution is not subject to the California Environmental Quality Act (CEQA) in that the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty, as in this case,

that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

(3) The application of the Class 1 categorical exemption is not barred by one of the exceptions set forth in the CEQA Guidelines Section 15300.2 because Pavement Rehabilitation Resolution No. 2024-XXX does not present any unusual circumstances; would not damage scenic resources, including any resources in the area of a Scenic Highway; would not be utilized on a hazardous waste site; and would not impact historic resources of any kind; and

(4) The determination of CEQA exemption reflects the independent judgment of the City Council.

**SECTION 5. Severability.** If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications, and to this end the provisions of this Resolution are declared to be severable.

**SECTION 6. Effective Date.** This Resolution shall become effective immediately.

**APPROVED** and **ADOPTED** by the City Council and signed by the Mayor and attested by the City Clerk this 3<sup>rd</sup> day of July 2024.
