Between GoTo Communications and
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RFP 221003 Electronics, Appliances and Associated Goods and Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award. Shipping method is determined by the vendor and the Member/Customer at the time of the quote/purchase by the Member/Customer and satisfactory shipping methods and costs are agreed upon at that time.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company, where permitted by TIPS.

Disclosures

- Vendor and TIPS affirm that they, or any authorized employees or agents, have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately three years with an option for renewal for an additional one consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term in writing. TIPS may or may not exercise some or all of the available extension(s) provided in the original solicitation beyond the base three-year term. Whether or not to offer some

or all of the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “Start Date” is the last day of the month that “Award Notifications” are anticipated as published in the Solicitation.

Example: *In this example, if the anticipated “Award Date” published in the Solicitation is May 22, 2022, but extended negotiations delay award until June 27, 2022, the end date of the resulting initial “three-year” term, (which is subject to an extension(s)) will still be May 31, 2025 for purposes of this example.*

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the original solicitation’s anticipated “Award Date” plus three years.

Example: *In this example, if the original term is approximately three years, and the solicitation provides an anticipated award date of May 22, 2022, the expiration date of the original three-year term shall be May 31, 2025 for purposes of this example.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires unless otherwise specified.

Example Following the Previous Example: *In this example, if TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2026 unless otherwise specified.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the Vendor’s TIPS Contract number, the TIPS Member’s purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the

shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation and vendor proposal. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller, or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to properly report or render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the

six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

1**Do you want TIPS Members to be able to spend Federal grant funds with you if awarded? Is it your intent to be able to sell to our members regardless of the fund source, whether it be local, state or federal?**

Most of our members receive Federal Government grants or other funding and they make up a significant portion of their budgets. The Members need to know if your company is willing to sell to them when they spend federal budget funds on their purchase. There are attributes that follow that include provisions from the federal regulations in 2 CFR part 200, etc. Your answers will determine if your award will be designated as eligible for TIPS Members to utilize federal funds with your company.

Do you want TIPS Members to be able to spend Federal funds, at the Member's discretion, with you?

The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

with "to the extent permitted by the Constitution and laws of State of Texas."

Service Requirements

Warranty, Service and Support

Our Customer Experience brings together the expertise of the GoTo Account Management, Technical Support, and Customer Service teams to deliver world-class service and support. All GoTo Customer Experience teams are Americas-based and available 24/7, through multiple channels, including toll free telephone, email, online, and chat. All access is unlimited, and no additional contracts or fees are required.

Service Level Agreement (SLA)

GoToConnect's Service Level Agreement (SLA) describes the specific service level agreements and conditions for GoToConnect Cloud Voice and Unified Communications (UC). The SLA also specifies the measures to be taken in case of deviation or failure to meet the asserted service guarantees. GoTo guarantees Cloud Voice and UC will maintain four 9's (99.99%) in any given calendar year. The SLA can be furnished upon request.

Technical Support / Customer Service

With GoToConnect, our Technical Support (TS) and Customer Service (CS) teams are fully integrated. Your call, email or chat is immediately answered by a TS/CS team member trained to evaluate your issue, assist you personally with resolving it, or connect you directly with the team member best able to assist you.

The majority of system issues can be quickly resolved by GoToConnect Customer Service Representatives (CSRs). All CSRs complete training certification in the GoToConnect solution prior to answering customer calls, emails, or chats. Additionally, our Technical Support Representatives (TSRs) are trained and certified in the GoToConnect system.

Monitoring and Maintenance

GoToConnect's solution is consistently managed and maintained to ensure everything is kept up-to-date. Our Cloud is engineered in such a way that updates and maintenance do not require scheduled downtime but are instead rolled out across the platform during periods of low utilization.

Internal to the Cloud platform, over 1,200 different parameters are constantly monitored to ensure they are functioning within acceptable limits. Any variance out of normal bounds triggers automatic alarming of NOC staff via multiple channels. Alarms are triggered well before an issue escalates to the point of causing service degradation, allowing for proactive issue resolution before clients are affected.

All of the hardware endpoints that are used for delivery of the hosted services are covered under warranty. In the case of the VoIP handsets, the hardware has a one-year manufacturer's warranty, with extensions that can be purchased for up to four additional years. Warranties on any routers and switches sold vary by manufacturer and model but are never less than five years (and in some cases are lifetime). Our services manufacture warranties for products we

sell. For the duration of the service, GoTo provides maintenance and support for the hardware endpoints we sell. All other maintenance and support services (regardless of warranty agreement) are available 24/7 at no additional charge.

If a handset fails within the warranty time window, GoTo will send an advance replacement handset to the customer, pre-programmed to replace the faulty device. Alternatively, some clients maintain a number of extra handsets—those can be programmed via GoToConnect's online administrator portal controls to replace the faulty device at any given moment, minimizing any downtime. If the handset is outside of warranty, a replacement can be purchased from GoTo, programmed, and sent to the customer site (next-day shipping is available).

Implementation and Support

GoTo uses proven best practices and a proactive, high-touch approach to manage the implementation of all new GoTo Voice and UC solutions. Applied across the following phases of the implementation life cycle, the GoTo approach delivers consistent, high-quality results that minimize the pain traditionally associated with changing your telephone service provider while at the same time maximizing the impact of GoToConnect across your entire organization.

Initiating: GoTo Project Managers (PMs) review expectations and gather customer information and preferences required for system configuration and number porting. They clearly define transition activities, timelines, and responsibilities for the customer and the GoTo implementation team. Detailed statement of work, project plan (with schedule), and preliminary order paperwork are prepared and presented to the customer for review and approval. GoTo engineers assess the current communications environment and identify system needs. They prepare a detailed assessment report and network diagram(s) outlining recommended network configuration.

Planning: The Project System Trainer or Field Engineer will hold a training with the customer and work together, with the customer, to build out the PBX. They establish a communications plan, scheduling regular status meetings with the customer and GoTo sales, engineering, training, project management, and deployment teams. They will work with you through system testing and training plans for the completed solution most fit for your needs.

Executing: GoTo engineers help to configure GoToConnect, providing requested guidance with dial plans and other features according to customer-provided specifications and preferences. Engineers also complete any specialized integration requirements, upon further scoping. Fulfillment specialists order equipment and monitor the number porting process. Regular status calls ensure the transition process stays on-track with established milestones and timelines.

Testing: GoTo quality assurance specialists test every feature to ensure it is operating correctly and in accordance with customer specifications. Engineers test the network configuration and, if applicable, test and turn up the GoTo broadband data connection. Fulfillment specialists test E911 configurations in compliance with Federal regulations. All GoTo hardware - including handsets, routers, and other equipment - arrives on the customer location pre-provisioned and ready for immediate plug-and-play. GoTo PMs and engineers work with the customer to test and verify all system features and functions. Dedicated project system trainers provide administrator and end user training to familiarize the customer with GoToConnect.

Project Completion: Numbers port from the losing carrier to GoTo, all system features and hardware endpoints are activated, and call processing (inward and outward) is initiated. Once live, a dedicated GoTo Customer Success Manager (SAM) is available to support the system and troubleshoot and resolve any service issues.
