

**RESOLUTION NO. 2024-201**

**RESOLUTION OF THE MAYOR AND CITY COUNCIL OF  
THE CITY OF SAN BERNARDINO, CALIFORNIA  
REAFFIRMING THE EXISTENCE OF A LOCAL  
EMERGENCY CAUSED BY CONDITIONS AND  
THREATENED CONDITIONS OF HOMELESSNESS  
WITHIN THE CITY OF SAN BERNARDINO, WHICH IF  
NOT CORRECTED, CONSTITUTES AN IMMINENT AND  
PROXIMATE THREAT TO THE SAFETY OF PERSONS  
AND PROPERTY IN THE CITY**

**WHEREAS**, San Bernardino Municipal Code Section 2.46.050(A) designates the City Manager as the Director of Emergency Services (“Director”); and

**WHEREAS**, San Bernardino Municipal Code Section 2.46.090(A)(1) empowers the Director to request the Mayor and City Council to proclaim the existence or threatened existence of a “local emergency”; and

**WHEREAS**, San Bernardino Municipal Code Section 2.46.020 defines an “emergency” as an “actual or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within [the] jurisdiction...which conditions are or are likely to be beyond the control of services, personnel, equipment, and facilities of the City, requiring the combined forces of other political subdivisions to combat”; and

**WHEREAS**, the California legislature has acknowledged the importance of combating homelessness and the crisis of housing supply which is supported by California Labor Code Section 1720(c)(4) where prevailing wage rates do not apply to the construction of rehabilitation of affordable housing units for low or moderate income persons; and

**WHEREAS**, in efforts to combat the housing crisis, the California Legislature has recognized that local governments play a key role in the development of affordable housing, evidenced by California Government Code Section 65584, which mandates California cities, towns and counties to undertake all necessary actions to promote and facilitate the development of housing for its residents, for all income levels; and

**WHEREAS**, in conjunction with the State’s directives to combat homelessness and address the housing crisis, the City of San Bernardino (“City”) has designated significant resources to address homelessness in the City, but the threat to life and property remains at stake beyond the control of the services, personnel, equipment, and facilities of this City, requiring the combined forces of other political subdivisions to combat this crisis; and

**WHEREAS**, according to City’s 2024 Point in Time Count, the City has 1,417 homeless individuals, of which 977 are unsheltered; and

**WHEREAS**, people experiencing homelessness suffer disproportionately from mental and physical health ailments and require assistance from the City of San Bernardino, San Bernardino County Behavior Health Department, and other local, state, and federal health agencies and non-profit organizations to provide the necessary public services; and

**WHEREAS**, the homelessness crisis confronting the City has grown both incrementally and exponentially, leading to death, illness, and deplorable living conditions; and

**WHEREAS**, the State of California's COVID-19 State of Emergency, which has provided resources to keep many San Bernardino residents from falling into homelessness, ended on February 28, 2023, thus requiring immediate action in order to create replacement and additional housing and shelter, and in order to support the necessary infrastructure and laws required to protect and provide that shelter and housing; and

**WHEREAS**, the displacement of the number of people living on the streets of the City today is a daily recurring emergency, empowering the City Council to declare a state of emergency, no less than if the emergency was caused by an earthquake, fire, or flood; and

**WHEREAS**, the City's ability to mobilize local resources, coordinate interagency response, accelerate procurement of housing units, use mutual aid, and seek assistance and potential reimbursement by the State and Federal governments will be critical to successfully responding to this homelessness crisis; and

**WHEREAS**, during the pendency of the existence of a local emergency, the City Council shall retain its full authority to consider a variety of City ordinances to codify the measures necessary to address this homelessness crisis; and

**WHEREAS**, on October 27, 2022 the City Council conducted a Homeless Workshop; and

**WHEREAS**, on December 7, 2022, the Mayor and City Council allocated \$12,450,000 in ARPA funds for the construction of the Navigation Center and \$4,500,000 in ARPA funds for the operation of the Navigation Center; and

**WHEREAS**, on March 15, 2023, the Mayor and City Council approved an allocation of \$4,299,671 of HOME-ARP funds to assist with the design and construction of the Navigation Center; and

**WHEREAS**, on June 21, 2023, the Mayor and City Council adopted the FY 2023-24 Annual Action Plan, which included an allocation of \$1,901,365 in CDBG funds for the Navigation Center; and

**WHEREAS**, on July 19, 2023, the Mayor and City Council adopted Resolution No. 2023-097, amending the City's 2020-2023 Permanent Local Housing Allocation (PLHA) Program funding to provide \$4,355,241 towards the operating and/or capital costs of the City's Navigation Center; and

**WHEREAS**, on October 4, 2023, the Mayor and City Council adopted Resolution No. 2023-144 for the Strategic Initiatives, approving an annual allocation of \$2,000,000 for Homelessness Services Sustainability beginning FY 2026/27; and

**WHEREAS**, on November 1, 2023, the Mayor and City Council accepted \$808,358.87 in Homeless Housing, Assistance, and Prevention (HHAP) Round 3 grant funds from the County of San Bernardino for the Navigation Center; and

**WHEREAS**, the City's Navigation Center, called the San Bernardino Homeless Outreach, Prevention, and Education Campus ("HOPE Campus" or "Navigation Center"), serves as the cornerstone of the City's long-term strategy towards addressing homelessness; and

**WHEREAS**, the HOPE Campus will offer interim housing, recuperative care, and comprehensive onsite services that will connect the City's unsheltered population to a wide range of programs, social services, and housing; and

**WHEREAS**, notwithstanding that the City Council has been and is acting with urgency, including implementing of a Homeless Action Plan which provides a roadmap to house San Bernardino residents and building an unprecedented number of supportive housing units and shelter beds, an emergency declaration is necessary to mobilize resources, save lives, and provide for the public health, welfare, and safety of all; and

**WHEREAS**, the City has responded to the rapid increase in its homeless population with unprecedented investments into homelessness solutions, including a commitment of over \$20 million from its American Rescue Plan Act resources to fund the Homeless Action Plan; and

**WHEREAS**, the magnitude of loss of life, the continued and disproportionate impact of the COVID-19 pandemic, and the persistent discriminatory impacts of a lack of housing warrant and necessitate that the City Council declare the existence of a local emergency; and

**WHEREAS**, the benefits of this emergency declaration, coupled with past and future actions by the City Council to address the homelessness crisis, will help ensure that this local emergency will be of a temporary nature.

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF SAN BERNARDINO AS FOLLOWS:**

**SECTION 1.** The above recitals are true and correct and are incorporated herein by this reference.

**SECTION 2.** Pursuant to California Government Code Section 8630 and San Bernardino Municipal Code section 2.46.090(A)(1), the City Council hereby finds and proclaims the existence of a local emergency caused by conditions or threatened conditions of homelessness in San Bernardino which, if not corrected, constitutes a threat to the safety of persons and property within the territorial limits of the City beyond the control of the services, personnel equipment, and facilities of the City.

**SECTION 3.** The City Manager is hereby authorized to furnish information, to enter into agreements, including, but not limited to, applications and agreements for grant funding, and to take all actions necessary to obtain emergency assistance from State and federal agencies to implement preventive measures to protect and preserve the City within the scope of the local emergency hereby declared. Section 2.46.110 of the San Bernardino Municipal Code provides that any expenditures made in connection with the emergency activities, including mutual aid activities, shall be deemed conclusively to be for the direct protection and benefit of the inhabitants and property of the City. City staff are hereby directed to provide the City Council with a report of actions taken under this Resolution at the next practicable opportunity, and no less than on a monthly basis.

**SECTION 4.** The City shall coordinate its efforts to address this proclaimed emergency with the other local jurisdictions, the County of San Bernardino, the State of California, and the federal government.

**SECTION 5.** The City of San Bernardino requests the Governor and State Legislature to declare a state of emergency to combat homelessness and direct resources to support the efforts of major cities in the State of California to address the problem.

**SECTION 6.** This Proclamation of Emergency shall sunset on December 31, 2025, subject to being renewed. The setting of a specific time frame allows for actions to be taken to make permanent, necessary structural changes. Pursuant to California Government Code Section 8630, the Mayor and City Council shall, by minute action, review the need for continuing the local emergency at least once every 60 days until it terminates the local emergency.

**SECTION 7.** Pursuant to Government Code section 3100, in protection of the health and safety and preservation of the lives and property of the people from emergencies which result in conditions of extreme peril to life, property and resources, all public employees are hereby declared disaster service workers subject to such disaster service activities as may be assigned to them by their superiors or by law.

**SECTION 8.** The Mayor and City Council finds this Resolution is not subject to the California Environmental Quality Act (CEQA) in that the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty, as in this case, that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

**SECTION 9.** Severability. If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications, and to this end the provisions of this Resolution are declared to be severable.

**SECTION 10.** Effective Date. This Resolution shall become effective immediately.

**APPROVED** and **ADOPTED** by the City Council and signed by the Mayor and attested by the City Clerk this 4<sup>th</sup> day of September 2024.
