Dear City of San Bernardino:

This is a Grant Acknowledgement from the California Emerging Technology Fund (CETF) confirming the City of San Bernardino was awarded \$1,000 after attending a prerequisite Local Government Digital Equity Best Practices Check List Webinar, then completing and submitting the CETF Digital Equity Best Practices Check List – whereby the City of San Bernardino also became eligible to apply for the \$20,000 Learning Community Grant Application due on June 28, 2024.

All 58 Counties and 482 Cities in California were invited to participate. Jurisdictions that attended at least one webinar were eligible to submit the CETF Best Practices Check List to Achieve Digital Equity. The first 100 Local Governments submitting Check List by May 31, 2024 are receiving a \$1,000 Grant which may be used by the jurisdiction for any purpose to advance Digital Equity.

We welcome the opportunity to continue to work together to close the Digital Divide, promote Digital Inclusion, and achieve Digital Equity in California.
