C. Annual Universal Credit and Additional Fees for Any Increased Usage/Capacity

1. Usage and Capacity

As described in the Oracle PaaS and IaaS Universal Credits - Service Descriptions document available at <http://www.oracle.com/contracts>, the following terms apply to your Oracle PaaS and IaaS Universal Credits.

Oracle allows You the flexibility to commit an amount to Oracle (as specified in the "Credit Quantity" table in Your order, the "Annual Universal Credit") to be applied towards the future usage of eligible Oracle IaaS and PaaS Cloud Services specified in the rate card attached to Your order or as seen in the Cloud Portal, provided such Cloud Services are available in production release when ordered, at the fees specified in the rate card. The total Annual Universal Credits acquired under Your order (the "Total Credit Value") and the applicable Services Period for those credits will be as specified in Your order. An Annual Universal Credit amount must be used within its applicable yearly Credit Period during the Services Period and will expire at the end of that yearly Credit Period; any unused amounts are non-refundable and are forfeited at that time. The balance of the Total Credit Value will be decremented on a monthly basis reflecting Your actual usage for the prior month at the rates for each activated Oracle IaaS and PaaS Cloud Service as defined in Your order.

2. Overage

If at the end of any month during the Services Period, You have exceeded the applicable Annual Universal Credit amount, Oracle will invoice You for the excess usage of the Oracle IaaS and PaaS Cloud

Service at the Overage Unit Net Price specified in the rate card of Your order or as seen in the Cloud Portal. Oracle will send invoices for the additional usage to You at the Billing Contact provided to Oracle by the Oracle Partner; You are responsible for all additional usage fees and such fees shall be payable to Oracle as stated in the applicable Oracle invoice. If You placed Your order for Annual Universal Credits through an Oracle Partner and the corresponding order between Oracle and the Oracle Partner provides that the Oracle Partner will be invoiced by Oracle for Your excess usage as described in the above paragraph, then You acknowledge that the Oracle Partner will receive information about, and will invoice You for, Your excess usage. You shall ensure that Your order with the Oracle Partner indicates whether You agreed to be invoiced by Oracle for Your excess usage in this manner.

You may set quotas, alerts and use other monitoring tools within the Cloud Portal to assist You in managing and tracking Your usage.

3. Additional Services

If Oracle adds additional service offerings to the list of eligible Oracle IaaS and PaaS Cloud Services within your Cloud Services Account during the service period, you may activate and use those service offerings and the discount will be applied based on the Cloud Service category discount specified in the Rate Card attached to your order or as seen in the Cloud Portal. The development, release, and timing of any future features, functionality or service offerings remains at the sole discretion of Oracle Corporation.

4. Replenishment of Account at End of Services Period.

At the end of Your Services Period, Oracle will convert Your Cloud Services Account to Pay as You Go ("PAYG Conversion") unless You replenish Your Annual Universal Credit amount, and you will be charged by Oracle for the actual usage of all services that you activate and/or have activated within your Cloud Services Account based on Oracle's then-current price list for such services, which can be found at https://cloud.oracle.com/en_US/ucpricing. Upon replenishment of Your Cloud Services Account, You will no longer be charged the Pay as You Go rate, and Your use of eligible Oracle IaaS and PaaS Cloud Services will be charged at the Unit Net Price specified in the rate card attached to Your order (via a New Order (as defined below) or a modification to your existing order) or as seen in the Cloud Portal. Upon the PAYG Conversion, You will be deemed to have a direct order with Oracle for the Cloud Services, subject to the terms of a valid master agreement with Oracle, or if such agreement has expired or was not entered into directly with Oracle, the then-current terms of Oracle's Cloud Services Agreement available for the country in which You are incorporated (or if Oracle's invoice indicates a different Oracle entity, the country in which such Oracle entity is incorporated).

Roving Edge Parts.

Roving Edge Infrastructure parts are limited-availability parts. This order is not eligible for any Roving Edge Infrastructure products or services, even if a Roving Edge part number is specified in the Rate Card of this order or seen in the Cloud Portal.

5. No Auto-Renewal

Notwithstanding any statement to the contrary, services ordered under this Ordering Document will not automatically renew.

6. End User Agreement

Notwithstanding anything to the contrary in the partner agreement, upon request from Oracle, you agree to submit to Oracle a signed copy of the end user agreement related to this order and any ordering documents, purchase agreements and other documents between you and the end user that together with the end user agreement form the complete end user contract related to this order and include the terms and conditions set forth below.

D. Other

1. Order of Precedence
