

**RESOLUTION NO. 2025-277**

**RESOLUTION OF THE MAYOR AND CITY COUNCIL OF  
THE CITY OF SAN BERNARDINO, CALIFORNIA,  
APPROVING THE ROAD MAINTENANCE AND  
REHABILITATION REVISED PROJECT LIST FOR  
SUBMITTAL TO THE CALIFORNIA TRANSPORTATION  
COMMISSION; AND ADOPTING A LIST OF PROJECTS  
FOR FISCAL YEAR 2025/26 TO BE FUNDED BY MEASURE  
I**

**WHEREAS**, California Streets and Highways Code sections 1685 and 1803 authorize Cities to contract with Counties for the maintenance, construction or repair of City streets and roads, if the legislative body of City (City Council) determines that it is necessary for the more efficient maintenance, construction, or repair of its streets and roads; and

**WHEREAS**, The County of San Bernardino (“County”) and the City of San Bernardino (“City”) share jurisdiction on many streets throughout the City's borders. As a result, road resurfacing and maintenance are divided into two jurisdictions. County’s staff contacted the City to determine the City’s willingness to fund the San Bernardino portion of the Street Rehabilitation on Various Shared Streets (“Project”) and partner to have the street rehabilitation done in the most effective way; and

**WHEREAS**, conducting cooperative projects on streets of shared jurisdiction is more efficient and cost effective compared to separate projects issued by each jurisdiction. The inconvenience to the traveling public and adjacent businesses/residents is substantially reduced by cooperative projects; and

**WHEREAS**, on September 15, 2021, the City Council approved the Cooperative Funding Agreement No 21-782 with County of San Bernardino for Arden Avenue and Other Roads; Blake Street and Other Roads; Citrus Street and Other Roads; Lynwood Drive and Other Roads; Third Street and Other Roads; North San Bernardino Area Curb Ramps Projects, in which the County will be the lead agency and will invoice the City of the completion of work; and

**WHEREAS**, on September 15, 2021, the City Council amended the FY 2020/21 Capital Improvement Program to include the Project and establish Project budgets in the amount of \$3,637,000 in Measure I Fund 129 for Arden Avenue and Other Roads; Blake Street and Other Roads; Citrus Street and Other Roads; Lynwood Drive and Other Roads; Third Street and Other Roads; North San Bernardino Area Curb Ramps Projects.

**WHEREAS**, On June 26, 2023 the City Council amended the FY2023/24 Capital Improvement Plan recording supplemental appropriations for Agreement No 21-782 with County of San Bernardino for the Arden Avenue and Other Roads Project, Blake Street and Other Roads Project, Citrus Street and Other Roads Project, Lynwood Drive and Other Roads Project, Third Street and Other Roads Project, North San Bernardino Area Curb Ramps Project including a 25% contingency; The City’s total cost share is \$6,632,500. To fully fund the project, \$3,637,000 from

Measure I, plus an additional \$2,472,924.36 from SB1 Funds and \$522,575.64 from Gas Tax (Maintenance of Effort) is requested.

**WHEREAS**, due to increases in construction costs and shortfall in the available fund in the San Bernardino County Budget, the San Bernardino County elected to amend the current Cooperative Agreement No 21-782, and to execute a separate agreement for, Citrus Street and Other Roads Project (Phase I), Muscoy Area and Other Roads Project (Phase I), Lynwood Drive and Other Roads Project, Old Waterman Canyon and Other Roads Projects. The City's total cost share is \$3,344,750. To fully fund the projects from Measure I.

**BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF SAN BERNARDINO AS FOLLOWS:**

**SECTION 1.** The above recitals are true and correct and are incorporated herein by this reference.

**SECTION 2** Mayor and City Council hereby authorize the Agency Director of Finance to amend the FY 2023/24 Capital Improvement Plan, recording a supplemental appropriation in the amount of \$3,344,750.00 in Measure I Fund For, Citrus Street and Other Roads Project (Phase I), Muscoy Area and Other Roads Project (Phase I), Lynwood Drive and Other Roads Project, Old Waterman Canyon and Other Roads Projects.

**SECTION 5. CEQA.** As the decision-making body for the project, the City Council has reviewed and considered the information contained in the administrative record for the proposed project. Based upon the facts and information contained in the administrative record, including all written and oral evidence presented to the City Council, the City Council finds, as follows:

(1) The administrative record has been completed in compliance with CEQA, the State CEQA Guidelines, and the City's Local CEQA Guidelines.

(2) The proposed project is exempt from the requirements of California Environmental Quality Act pursuant to Section 15301 (Class 1 – Existing Facilities) of the CEQA Guidelines because it involves the street rehabilitation. Additionally, the City Council finds this Resolution is not subject to the California Environmental Quality Act (CEQA) in that the activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty, as in this case, that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

(3) The application of the Class 1 categorical exemption is not barred by one of the exceptions set forth in the CEQA Guidelines Section 15300.2 because Pavement Rehabilitation does not present any unusual circumstances; would not damage scenic resources, including any resources in the area of a Scenic Highway; would not be utilized on a hazardous waste site; and would not impact historic resources of any kind; and

(4) The determination of CEQA exemption reflects the independent judgment of the City Council.

**SECTION 6.** Severability. If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications, and to this end the provisions of this Resolution are declared to be severable.

**SECTION 7.** Effective Date. This Resolution shall become effective immediately.

**APPROVED** and **ADOPTED** by the City Council and signed by the Mayor and attested by the City Clerk this 16<sup>th</sup> day of April 2025.
