To whom it may concern,

At Stater Bros. Charities we are dedicated to creating opportunities that inspire our communities to thrive. That's why our mission is to uplift Southern California communities through fundraising and investing in local nonprofits that provide hands-on support.

We wholeheartedly believe that the strength of a community is built on multiple acts of kindness. It is this belief that drives our passionate commitment to partnering with local nonprofits who share our mission to connect, collaborate, and build uplifting relationships within our community.

We are pleased to share that Stater Bros. Charities has agreed to donate \$42,500 to the San Bernardino City Animal Shelter. These funds are to be used to pay Audacy/KFRG-FM for the following advertising partnerships from April through December 2024.

Please feel free to contact our office should have any questions.

Kindest regards,

Nancy Negrette  
Chairman and President
