Program: e-Cycle Defective 25% Quote			Total Quantity:		386
Date Prepared: 01/13/2025			Estimated Maximum Payment (subject to reduction based on conditions listed below)		\$33,840
Prepared By: robby.oswald@e-cycle.com					

e-Cycle Terms and Conditions:

All wireless devices that are not on the price list will receive a flat rate of \$1.00 each.

Wireless devices received in any of the conditions defined below will receive up to 25% of the buyback price value:

- (1) Cracked glass
- (2) Damaged housing

Wireless devices received in any of the conditions defined below will receive a flat rate of \$1.00 each:

- (1) Power Failure
- (2) Defective Display (e.g. Bleeding LCD)
- (3) Missing keys or non-functioning keypad
- (4) Software programming issues
- (5) Water exposure
- (6) Lost or Stolen

Please deactivate all wireless services, delete all personal and corporate information, and remove the SIM or memory card before sending the wireless device to e-Cycle. If e-Cycle finds any SIM or memory cards, they will be removed and shredded for data security purposes free of charge.

IMPORTANT NOTE: Failure to deactivate your wireless device, the Apple "Find My iPhone/iPad," or Samsung "Find My Mobile" security feature prior to sending the device to e-Cycle will result in a considerable delay in processing and a significant reduction or forfeiture of payment. iOS devices must be disowned from DEP prior to shipment to e-Cycle. These devices will not be returned. Any locked devices received will be temporarily held and the client will be notified that deactivation/unlocking needs to take place for these devices. Any device that is identified as Lost or Stolen will not be returned and will result in the device being recycled. e-Cycle's full Terms and Conditions can be found at <https://www.e-cycle.com/terms-conditions/>

Due to price fluctuations in the market for used wireless devices, devices must be received inactive, unlocked, and in good working condition based on the information above by March 31, 2025 to receive the above quoted pricing. This quote expires on March 31, 2025.
